Approved For Release 2005/11/23 : CIA-RDP80B01138A000100030047-0

25X1 [redacted] paper will give you an understanding of the most significant assumptions used in our approach. The user's manual and user's aids describe the data required to conduct an evaluation with the computer.

If I can be of further assistance in clarifying our approach or if you wish to discuss the use of our model, please let me know.

25X1A [redacted]

Assistant for Systems Analysis
to the Deputy DCI for
National Intelligence Programs Evaluation
